Mr. Doraswami of Port Novo who has been negociating for the house on behalf of Govt states that the party having come to know that he was negociating for Govt are unwilling to part the house for less than Rs 50,000. The house does not seem to be worth more than Rs 30000. In these circumstances it does not seem desirable to offer to purchase the property. The house has no doubt a large compound of about 5 acres and affords space for 3 or 4 bungalows but the house is old and the place is hardly suitable for erecting Professional Quarters

14 In resubmitting the accompanying papers relating to the proposal to purchase the bungalow called "West Bank" situated on the High Ground in the Bangalore City, I beg to state that the property has now come into the market and that it has therefore been considered desirable to renew negotiations to purchase it for Government.

15 2. The need for acquiring this property has been explained in my submission note of 19th October 1916 and in view of its proximity to the Central College, the University authorities have lately brought to notice the desirability of purchasing it and using the vacant land appertaining to it for the construction of quarters for the University Professors.

16 3. Having regard to the above considerations and the rapidly increasing value of house property in the Bangalore City, the Council are now of opinion that the Government Advocate, who has been conducting negotiations, may be authorised to offer from Rs.35,000 to Rs.40,000 for this property and conclude the bargain if possible.

17 4. As the property has been advertised for sale and the matter is therefore urgent, the Government Advocate has been informally acquainted with the decision of the Council for his guidance in conducting the negotiation.

18 5. His Highness' gracious confirmation of the action taken is solicited.

Dear Mr. D'Souza,

The Vice-Chancellor has desired me to write to inform you that a valuable property on the High Ground, Bangalore, known as 'West Bank' is for sale. Houses for the Professors near the Central College are a necessity, and it was stated in the Draft Scheme that such houses would be built when the sites could be procured. The property is quite near the Central College, and probably 4 or 5 houses could easily be erected on it.

The property comprises an area of 5 acres, 3 roods and about 300 square yards. It has a frontage to Avenue Road, of 144 yards and is bounded on the south by "Barne Park", North by the compound of the Private Secretary to H.H. the Maharaja of Mysore and west by the Race Course.

Will you kindly bring the matter to the notice of Government and suggest the desirability of purchasing the site.

FROM

fin 170-17 8(4)

M. N. KRISHNA RAO, ESQ., B.A.,

Comptroller to the Government of

His Highness the Maharaja of Mysore.

To

C.S. Balasundaram Iyer Esq., B.A.,

Chief Secretary to Government,

Bangalore.

SIR,

I have the honour to acknowledge the receipt of Government Order No. G. 11547-9/Gen.170-17-2 dated 20th February 1918.

I have arranged to hold the amount (Rs.37,500/-) required for the purchase of "West Bank" at the disposal of Mr. C.S. Doraswami Iyer Government Advocate.

As regards Para 3 of the order stating that the source from which the expenditure should be met will be pointed out later on, I beg to state that in the case of comparatively large items of expenditure like the present, it is necessary to consider the question of funds before the expenditure is sanctioned. Under the sanctioned Scheme of Financial Settlement, the available funds are all distributed among the different Departments and the savings on the grants assigned to them do not lapse and are carried to their credit in the next year. Under this arrangemen it will be difficult to deal with expenditure sanctioned in anticipation of provision of funds. The expenditure under consideration has to be met from the grant for "24 Civil Works." As a matter of fact, however, the estimated outlay during the current year according to the Revised

now

now framed and the General Reappropriation Statement submitted by the Public Works Department, the grant of Rs.8,32,000 for 'Original Works' is expected to be exceeded. This excess itself has therefore to be met from savings, if any, on the grant for minor heads under "24 Civil Works" other than 'Original Works.' There is thus no margin for meeting the expenditure on the purchase of this building from the grant for "24 Civil Works." In this year, however, there is likely to be a large saving on the grant for 'Repairs in charge of Civil Officers' under "23 Irrigation Works charged to Revenue." Against the grant of Rs.2,50,000, I expect that the expenditure will be less than Rs.1,00,000. As "23 Irrigation Works" and "24 Civil Works" form but one department for the purpose of Financial Settlement, the expenditure under consideration may be met by a transfer of the grant from 'Repairs in charge of Civil Officers' under "23 Irrigation Works" to 'Original Works in charge of Public Works Officers' under "24 Civil Works."

It is not always possible to expect that such transfers will be feasible and as I have already stated, it will be difficult to provide for expenditure sanctioned without considering the question of funds for meeting it. I request therefore that whenever expenditure unprovided for in the Budget is sanctioned, the question of provision of funds therefor may be simultaneously considered and that orders sanctioning expenditure may invariably be accompanied by instructions as to how it should be met.

I have the honour to be,

Sir,

Your most obedient servant,

M. Narasimha Rao

Dear Sir,

I write to acknowledge the receipt of your letter of No. R.908 dated the 21st. inst. and to thank you for your suggestion as to how the expenditure on account of the purchase of "West Bank" may be met. The question of same is under consideration in the Financial Dept and order will issue shortly.

As regards your observations on paragraph 3 of the Govt. order on the subject, I ~~am desired to~~ would state that ~~Govt. appreciate the need for considering~~ the question

of provision of funds, simultaneously
with proposals for unbudgetted
items of expenditure, ~~and~~ if generally ~~unfavourable~~ considered

however, the principle could
not be adhered to as the

My dear Balasundaram Iyer,

With reference to your Confidential D. O. No. G. 11550/G. M. 170-17-3 dated the 19th February 1918, I write to say that a Sale Deed has been taken from Rev. Mr. Hickling in the name of the Dewan of Mysore, which and the documents hereunder mentioned are herewith sent.

I was not satisfied with his title to convey -- until he was able to get from England all the necessary - papers and it was only a fortnight before the execution of the Sale Deed that the papers were received. I have recited in the Sale Deed the various steps by which the Vendor became clothed with the title to convey.

The house is now in the occupation of Mr. V. Rangaswami Iyengar and you may take possession of it from him.

The rent of the current month will, as usual, be collected by Messrs. Abraham & Co., and out of it a third - will be paid to Rev. Hickling representing his share up to the date of the execution of the sale Deed and the balance to us. From next month please arrange to get the rent --- direct from Mr. V. Rangaswami Iyengar, should he continue - to be in occupation of the house.

I have received from the Comptroller the Rs. 1,000/- advanced by me as part payment of the purchase money on the 29th January last.

Yours sincerely,

S Sivaswamy Jr

Government Advocate.
